Wyndham Garden Chinatown

Great events team

This review is for a private event hosted at the Wyndham Garden Chinatown 17th floor event space that the in-house kitchen also catered. Sean, Preston, Jessica and the rest of the F&B team were excellent to work with over the last two months as I planned a milestone birthday event. They were highly responsive and respectful of my family's unique needs. The event was extremely well-received by my family and friends, and everyone enjoyed the Italian rustic buffet! The 17F floor event space has wonderful views of Chinatown and lower Manhattan, and the terrace space is wonderful.
